

Cottage Urgent Care offers two types of COVID-19 tests. Please choose the one that is right for you. **Online appointments are strongly recommended.**

Test	Turnaround time	What to expect	How do I get my results?	Will this test meet travel/event requirements?	Who can get this test?	Cost
<p>COVID/Flu Related (Car-Side Visit)</p> <p>DIAGNOSTIC test/visit for people with symptoms</p>	45 minutes	From your vehicle or outside waiting area, you will complete registration by phone. Then one of our Clinical Concierge members will come to your car to complete vitals and collect a nasal swab. The provider will complete a physical assessment and your test results, diagnosis and recommendations for follow up care will be shared with you before you leave.	Results will be provided before you leave, and you can also access them through your Cottage MyChart account.	It is important to stay home and maintain distance from others if you have COVID or flu symptoms.	This option is available only for patients with symptoms or a known exposure to COVID-19.	The co-pay cost will depend on your insurance coverage. A \$189 cash pay rate is offered if you do not have insurance.
<p>COVID Test</p> <p>SCREENING test for people without symptoms</p>	48-72 hours	In a negative airflow room within the Center, a Clinical Concierge will complete a brief registration and collect a nasal swab.* You will receive your results a few days later. *if a nasopharyngeal specimen is required for your travel needs, please notify the staff and we can accommodate this for you.	Signing up for Cottage MyChart is required to obtain your results.	Yes, this is a PCR test and will meet the requirements for most organizations. Please always double check your requirements before making an appointment.	This option is a screening test offered for individuals with no symptoms.	\$90
